The process for nomination and determination of award winners

The **Vice President** is responsible for collating feedback and relevant information and administering the awards process. This is done in consultation with the Age Group Coordinators, Coaches and Managers and letters of nomination received from our membership body.

Award Nominations are generally opened at the beginning of June and close at the end of July (to allow for trophies and individual awards to be produced).

Please read the following document that describes the information required and the process for nomination and determination of each award and/or trophy by age group.
